RE Job ID:172387

Dear: Human Resources Manager,

I am currently a student enrolled in George Brown College, and would like to apply for the position as a Developer/Technical system analyst (Job ID #172387), I have several experiences (See attached resume for more detail) which would enhance my ability to perform the job.

1)Experience in **Programming**. Currently have experience in following programming languages: SQL, JAVA, HMTL, CSS, and C#. Created several projects at school as well as side projects.

2)Experience with **Analysis**, As a central teller at RBC. I analyzed patterns and discover new information to help mitigate daily risk.

3)Experience with **Problem Solving**. As a Client Advisor Business services at RBC I helped business clients solve any problems that occurred in their account, as well as recommend different option that helped and benefit their business.

I would appreciate and interview to discuss my qualifications in more detail. Please feel free to contact me at Li-Jeremy@outlook.com or (647)808-4260

Thank you for your time and consideration. I look forward to hearing from you.

Sincerely

Jeremy Li
